GOVERNMENT OF MEGHALAYA HEALTH AND FAMILY WELFARE DEPARTMENT

In response to the recent COVID - 19 (corona virus) outbreak and its spread throughout the world, the Government of Meghalaya assures its efforts to the fullest extent in preventing the spread of this dreaded virus in the State. In the last few days, the Government of Meghalaya has taken several measures to ensure the tracking of the citizens of Meghalaya returning from other parts of the world and the country that might have been affected. Prompt and adequate measures are being taken through the response teams alongwith the help of the District Administrations.

However, as an added precautionary measure we appeal to the people of Meghalaya to come forward and join us in this fight against the pandemic by volunteering themselves as Medical Volunteers. All those coming forward and eager to help are requested to report to the respective Deputy Commissioner's office or call the 108 and register themselves in any of the categories and criteria given below:
